

Train the Trainer Refresher Sessions

Liebert Cassidy Whitmore is offering "Train the Trainer" refresher sessions to provide you with the necessary tools to continue conducting mandatory AB 1825 (Govt. Code Section 12950.1) training for your agency. As you know, a key component of AB 1825 compliance is the provision of preventing harassment training to all supervisory employees every two years and to new supervisors within 6 months of their assumption of a supervisory position.

If you have attended one of LCW's previous Train the Trainer sessions, you are eligible to attend the Refresher course.

- Facilitator Guide, PowerPoint slides and case studies (on disc and hard copy) complete with detailed speakers' notes for use in their future presentations
