

**HEALTH OFFICER ORDER FOR THE CONTROL OF COVID-19
DIRECTING VULNERABLE INDIVIDUALS LIVING IN
THE COUNTY TO SHELTER AT THEIR PLACE OF RESIDENCE,
RESTRICTIONS OF CERTAIN BUSINESSES, AMONG OTHER ORDERS
DATE OF ORDER: MARCH 17, 2020**

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both, pursuant to Health and Safety Code section 120295 et seq.

WHEREAS, the intent of this Order is to strengthen the steps the County of Ventura has already taken to protect our residents and particularly the most vulnerable in our population from COVID-19; and

WHEREAS, on March 15, 2020 Governor Gavin Newsom announced that California is taking additional measures to protect those most at risk of serious, life-threatening complications from COVID-19, including urging those most vulnerable to COVID-19 to socially isolate at home, such as people age 65 and older and those with underlying medical conditions that make them more susceptible to serious illness from the coronavirus; and

WHEREAS, the intent of this Order is to ensure that specified individuals self-isolate in their places of residence to the maximum extent feasible to slow the spread of COVID-19 to the maximum extent possible, and all provisions of this Order should be interpreted to effectuate this intent; and

WHEREAS, social isolation is considered useful as a tool to control the spread of pandemic viral infections; and

WHEREAS, social isolation is the shared responsibility of all individuals in the County; and

WHEREAS, this Order is issued based on evidence of increasing occurrence of COVID-19 within the County and scientific evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19; and

WHEREAS, the scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed and that one proven way to slow the transmission is to limit interactions among people to the greatest extent practicable;

WHEREAS, by reducing the spread of the COVID-19 virus, this Order also helps preserve critical and limited healthcare capacity in the County; and

WHEREAS, this Order comes after the release of substantial guidance from the Centers for Disease Control and Prevention, the California Department of Public Health, and other public

health officials throughout the United States and around the world, including a variety of prior orders to combat the spread and harms of COVID-19;
